**Supplemental
DETAILED ACTION**

1. Claims 1-18, 20, 22, 45, 46, 48, and 49 are allowed. These claims have been renumbered as claims 1-24.
2. Claims 19, 21, and 23-44 have been cancelled in the amendment.

EXAMINER'S AMENDMENT

3. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in an interview with Erin Nichols on March 2009.

4. Claims 48 and 49 have been amended as follows:

[48] 47. (Currently Amended) A method according to claim 45, wherein said settings information further comprises user text; and the method further comprises displaying the user text to the user of the telecommunications device.

[49] 48. (Currently Amended) A method according to claim 45, wherein said setting of at least the second database comprise at least the name of the database,

information on the content types supported, and address; and the method further comprises transmitting in the initialization of the synchronization at least said address to the synchronization server as a response to the need to synchronize data of said database.

REASONS FOR ALLOWANCE

5. The following is a statement of reasons for the indication of allowable subject matter:

The prior art of record does not render obvious to one ordinarily skilled in the art at the time of applicant's invention nor anticipate the combination of claimed elements including "forming a configuration message comprising settings information for arranging data synchronization of at least one application between a first database, in a terminal, and a second database, associated with a synchronization server, said settings information comprising settings of at least the second database" as recited in independent claim 1 and similarly recited in independent claims 10, 12, 14, 20, 22, and 45.

The remaining claims are dependent claims, thus these claims are patently distinct over the art of record for at least the above reasons.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
